20 March 2017

Dear Parent/Carer,

Sixth Form Parents' Evening – Thursday 20th April 2017

The Sixth Form Parents' Evening is now fast approaching and will take place next month, on Thursday 20th April, from 4.30pm until 7.30pm.

This evening will be the final opportunity to meet with class teachers and review progress, prior to examinations in May and June. This is a vital check point on the route to ensuring successful completion of all controlled assessments and comprehensive preparation for the examinations. For those students on vocational courses it is an important opportunity to meet staff and discuss current progress within sixth form.

A key discussion point will be the mock examination results from last term. The fourth progress report of the academic year will also be distributed prior to the evening.

All students have been given appointment sheets by their form tutors and should arrange for you to meet with all their subject teachers and form tutor. Other members of staff within the Sixth Form team, as well as our Careers Adviser, will also be available for appointments on the evening, should you wish to see them.

There is an expectation that students will achieve a minimum of a Grade C in their academic courses and Distinction or above in vocational courses. We are confident that with continued hard work, good attendance and your support, the majority of our students will achieve or exceed this target.

We look forward to seeing you on the 20th April.

Yours sincerely,

Mrs O Ballentine
Vice Principal for Student Progress

Mr R Timm
Assistant Principal for Sixth Form
