Dear Parents and Carers,

### **Report 4 – April 2017**

Please find herewith the final Year 13 report from Ormiston Victory Academy and I hope you treasure it for many years to come as a summary of your child's commitment to such an important year.

The report is a clear indication of how well your child's teachers feel they are doing following both mock examinations and controlled assessments. Please also find enclosed a guidance sheet which explains the different headings, as well as suggestions for how to go through the report with your child.

To access your child's report, please go to [www.go4schools.com](http://www.go4schools.com) and click on 'Parents'. If you have already registered an account, all you will need to do is login to view your child's report. Should you still need to register an account, please find enclosed a set of instructions to help you.

I would like to take this opportunity to wish your child well for the coming months - they will be challenging but rewarding. It is important to help your child complete regular revision - and take short, regular breaks too. If you have any questions before the final Key Stage 5 examinations, or would like the opportunity to discuss the report in more detail, please do not hesitate to contact their form tutor, individual class teachers where appropriate, or the Sixth Form Team.

Yours sincerely,

Miss N Palmer  
Principal

Mrs O Ballentine  
Vice Principal for Student Progress

## Quick Guide:

### How to register and login to Go4Schools?

1. Firstly, you need to go to [www.go4schools.com](http://www.go4schools.com) and click on the 'Parents' link at the top right hand side of the page.

2. If you are logging in for the first time then you need to enter your designated email address in the 'First time User?' section of the page and then click on 'Please send me a Password'. This will email a password to that designated email address. When you have received this password you will need to re-enter your email address in the 'Welcome' section at the top of the page along with the password that you have been sent and click 'Log in'

#### Welcome

Welcome to the GO 4 Schools login page for Parents and Guardians. If you have been provided with access by your child's school you can use GO 4 Schools to access their reports and to see their attainment, attendance and, for many schools, their behaviour records too.

#### First-time User?

If you haven't logged on to GO 4 Parents and Guardians before, type your email address and click the "please send me a password" button. (Please note that you need to provide an email address that has been registered in GO by the school(s) that your child/children attend.)

Email address:

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

**Access is granted through the email address you have previously registered with us at the academy. If you haven't yet registered an email address with us, please contact Miss K Ellwood, Data Manager at the academy on 01603 742310 ext 232 or [K.Ellwood@ormistonvictoryacademy.co.uk](mailto:K.Ellwood@ormistonvictoryacademy.co.uk) so that your details can be updated.**

## How to use Go4Schools?

Once you have logged in you will have access to your child's information and data which you can view in the following order by scrolling down the screen.

### At a glance

This is a quick overview of your child's current progress against their target grades for each subject. A value of zero indicates that your child is on target, a negative value indicates below target and a positive value indicates above target.

### Timetable

Scrolling down the page you will see your child's timetable showing today's lessons. If you click on the **view full timetable** it will show your child's timetable for the week.

**Today's timetable**

## Frequently Asked Questions:

- **I have lost my password – what do I do?**
  - Go to the GO 4 Schools website, click the ‘Parents’ icon and follow the ‘Forgotten your password’ instructions.
  
- **My email address is not recognised – why is this?**
  - Only email addresses registered with the school are recognised by GO 4 Schools. If your email address is not recognised it means that we do not hold your email address on our system. In order to update your information please contact Miss K Ellwood, Data Manager at the academy on [K.Ellwood@ormistonvictoryacademy.co.uk](mailto:K.Ellwood@ormistonvictoryacademy.co.uk) or 01603 742310 ext 232.
  
- **What if I change my email address?**
  - Please contact Miss K Ellwood, Data Manager at the academy on [K.Ellwood@ormistonvictoryacademy.co.uk](mailto:K.Ellwood@ormistonvictoryacademy.co.uk) or 01603 742310 ext 232 so your details can be updated. When you next log in to GO 4 Schools you will need to go through the first time user process again as outlined at the start of these guidance notes.
  
- **Who can access my child’s data on GO 4 Schools?**
  - You, as the registered parent/carer, and academy staff are the only people who can access your child’s progress data.
  
- **When and how often should I access GO 4 Schools?**
  - Student information is available constantly so that you can access it when you wish. Student progress data is updated on a half termly basis, so as the school year progresses more academic information will become available. We will notify you as and when new reports are published.

## **Guidance on Reports – Key Stage 4**

**Predicted** – The grade your child **is predicted to gain** at the end of their course.

- This is based on: their current level of work; their teacher's professional judgement as to their likely progression and them continuing their current level of effort.

**Current** – The grade your child **is currently working at**.

- This is based on their current level of work.

**Target** – The grade your child should be **attempting to achieve** by the end of their course.

- The minimum target for all students is a C- for GCSE's and a Level 2 Pass for BTEC's.
- Level 9-1 in English or Mathematics (see separate guidance).
- All targets should be challenging.

### **Attitude to Learning (ATL)**

- 1 Consistently works hard and has an outstanding attitude to learning.
- 2 Usually works hard and has a positive attitude to learning.
- 3 Sometimes works hard but has an inconsistent attitude to learning.
- 4 Rarely works hard and has a poor attitude to learning.
- 5 Been absent for long periods so difficult to judge attitude to learning.

### **Detailed Feedback**

In order to share detailed feedback from staff, it is recommended that students take their books or marked assessments home on a regular basis. This allows both the quality of students completed work and staff's written feedback, including points for development, to be seen.

### **Next Steps**

Where there is a gap between Predicted and Target, discussions should focus on action points to support students in reducing that gap.

Where this is the case in several subjects, it is suggested that action points should be limited to a few areas at a time.

**Acknowledgement should be given to progression**; if a student is not yet on target but they have made progress this is positive.

Possible action points for students could be:

- Subject specific (from feedback in student's books):
  - Mathematics; practice expanding and factorising algebraic expressions.
  - Geography; within a 9 mark question on flooding, ensure you give 3 developed points explaining the causes.

- Performing arts; include a wider variety of performance techniques in your work.
- General:
  - Achieve a lower attitude to learning score in English on the next report.
  - Attend after school mathematics revision on Thursday's, until the end of term.
  - Bring specific Science revision to do in form time.

### 2017 and 2018 GCSE Grades

Over the next three years the Office of Qualifications and Examinations Regulation (Ofqual) is gradually introducing new reformed GCSEs. These will have more content; a higher focus on literacy; and in most cases will be assessed through examination only. In addition the grades awarded will be from 9 to 1, instead of A\* to G.

In line with these national changes the reformed GCSEs are in place for **English and mathematics for our current Year 10s**, and for **all GCSE subjects for Year 9s** onwards.

Whilst staff are following these new specifications in the relevant subjects, until more information is available with regards to assessment we will continue to report using the A\* to G grade system, gradually transitioning to 9 to 1 over the next academic year.

To support with this process, we have displayed below the Ofqual guidance postcard, which demonstrates how the grades will match across.

New grading structure	Current grading structure
9	
8	A*
7	A
6	B
5	
4	C
