Photography Pack

Dear Parent/Carer

I would like to take this opportunity to welcome your child to GCSE Photography. I do hope your child finds the course enjoyable and insightful. This letter is to inform you of the photography pack we offer for every GCSE Photography student. The pack consists of a memory card for digital photography, a card reader and a pouch to put these in. There is also a portfolio book where your child will present their course work. These are essential pieces of equipment for taking, saving and recording photographs. The cost of the pack is £13.00. Although we will store this equipment at the academy, as their work is precious, the students will get to take this home when they have finished the course. These are at cut prices as we purchased them in bulk. Please return the reply slip below and payment to Student Services by Friday, 22nd September.

Our preferred method of payment is via ParentPay. Cheques can be made payable to Ormiston Victory Academy and have your child's name written on the back. Cash can also be paid to Student Services.

If there are any difficulties with this please, do not hesitate to contact either Miss Church or myself.

Yours sincerely,

Miss K Fowler
