

## Community Learning Classes (Aut1 2017/18)

At Victory, we know that extra-curricular activities really matter to families and we want to offer your child special opportunities to try out new sports and hobbies during their time with us.

We also realised how enjoyable these activities can be if they become 'family learning' – we are parents ourselves and we know how hard it is to find quality time to connect, so we began a series of 'Parent and Child' classes. Of course, these can also involve grandparents and older siblings.

### CERAMICS & PAINTING

**TUESDAYS 5.30-7.30pm**

Choose to dabble in either ceramics or painting. Learn how to create your own object in clay or enjoy developing new painting skills and techniques while creating a masterpiece!

### ASTRONOMY

**WEDNESDAYS 6.30-8.30pm**

Study the sun, moon, stars, planets, comets, gas, galaxies, gas, dust and other non-Earthly bodies and phenomena. Enjoy the course for pleasure, or take a GCSE at the end of the year.

***Our community learning classes are open to everyone in our community. Classes are Free if you attend with a current student at our academy.***
