Dear Parent/Carer,

Re: Permission to go in the woods for Cross-country lessons

Please can you complete the short reply slip giving your child permission to go in the woods at the back of the academy for their cross-country lessons.

As the woods are owned by the council, the public does have a right of way. PE staff will always be in close contact but vision of all students at all times is not possible.

We are lucky to have access to these woods to enhance the cross-country lessons for the students, enabling them to experience a more fun and challenging lesson due to the terrain in the woods.

If your child does not have permission to enter the woods, they will still be expected to participate, but will remain on the field. As with all PE lessons, appropriate footwear must be worn.

Yours sincerely,

Mrs Bunning

Curriculum Leader of Sport

I give/do not give permission for my child to go in the woods for cross-country lessons.
