Dear Parents and Carers,

Re: Home Learning Survey

This year, the academy is undertaking a Home Learning survey to help us plan support for our students across a range of areas. The survey takes around 10 minutes to complete. The more responses we receive, the better a picture we get of how to develop as an academy.

Please take some time over the next two weeks to sit down with your child and go through the survey together. It can be completed easily on a smartphone, tablet or computer, and all results are strictly anonymous and confidential.

Many thanks in advance,

A Wilson
