Dear Parents and Carers,

**Re: Smart Watches**

I would like to remind you that students are not permitted to wear or bring in smart watches.

These watches are such expensive items, that if they go missing or get damaged, this can cause students a great deal of upset and stress. In addition, the school is not able to take responsibility for the cost of repair or replacement.

Secondly, this does enable students to go online during the school day, unsupervised by our Impero system and to access their social media and even make calls. Therefore we apply the same reasoning as a mobile phone.

Please make sure, that if your child owns such a watch, that they do not bring it into the academy.

Thank you for your support with this.

Kind regards

Ms V Le Fur  
Vice Principal for Student Engagement
