As the parent or legal guardian of the above student, I grant permission for my child to have access to use the Internet, the Virtual Learning Environment (including Google Classroom) academy Email and other ICT facilities at the academy.

I know that my son/daughter has signed a form to confirm that they will keep to the academy's rules for responsible ICT use, outlined in the Technology Acceptable Use Agreement and to allow they have access to the Internet. I also understand that my son/daughter may be informed, if the rules have to be changed during the year. I know that the latest copy of the Technology Acceptable Use Agreement is outlined in the student planner and is available on the academy web site. I am also aware that further advice about safe use of the Internet can be found on the academy web site.

I accept that ultimately the academy cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the academy will take every reasonable precaution to keep students safe and to prevent them from accessing inappropriate materials. These steps include using a filtered internet service, secure access to email, a key strokes monitoring programme (Impero) and employing appropriate teaching practice and teaching e-safety skills to students.

I understand that the academy can check my child's computer files, and the Internet sites they visit. This can also be monitored by staff throughout the day. I also know that the academy may contact me if there are concerns about my son/daughter's e-safety or e-behaviour. Inappropriate usage of the internet or academy ICT systems may result in a temporary or permanent ban.

I will support the academy by promoting safe use of the Internet and digital technology at home and will inform the academy if I have any concerns over my child's e-safety.

**I confirm that I have read and agree to the Technology Acceptable Use Agreement.**
