Dear Parent/Carer,

Core Subject Revision Guides

If your child does not currently have revision guides we highly recommend that these are purchased, as they are an essential resource for students to use in preparation for both their mock and final Year 11 exams.

Since we are an academy, we are able to purchase some revision guides at a lower price (50% discount) and would like to pass these savings on. We recommend that students have a copy of revision guides for each core subject; English, Maths and Science. Students should be aware of the revision guide that applies to them, but if you would like to check this please contact the curriculum leader for that subject.
